Trello Enterprise administration

The screenshot shows the Trello Enterprise administration interface for an account named 'Taco Enterprises'. The top navigation bar includes 'Workspaces', 'Recent', 'Starred', 'Templates', and 'Create' buttons, along with a search bar and user profile icon. The main content area is divided into two columns. The left column contains navigation links for 'Account administration', 'Workspaces', and 'Security'. The right column displays the 'Members (316)' section, which includes a description of members, an 'Export' button, a search bar, and filter options. Below the filters, there is a 'Select all' link and a list of members with their profiles, activity dates, workspace status, and 'Deactivate' buttons.

ANNOUNCING

Trello Enterprise meets Atlassian Admin

The screenshot displays the Atlassian Admin interface for Acme Inc. The top navigation bar includes the Atlassian logo, the text 'Admin Acme Inc', and a dropdown menu. The main navigation menu contains links for Overview, Directory, Products, Security, Billing, and Settings. The current page is titled 'Admin / Acme Inc' and 'Acme Inc'. A search bar with the text 'Find by name' and a search icon is present, along with dropdown menus for 'Products' and 'Plans'. Below the search bar, it states 'Showing 4 results out of 4 products'. A table lists the products with columns for Product, Plan, and Users. The products listed are Atlassian Access (0 users), Confluence (39 users), Jira Administration (no users listed), and Jira Software (34 users). The table also includes a column for actions, represented by an information icon for Atlassian Access and three dots for the others. At the bottom, there are navigation controls for 'Previous', 'Next', '1-4 of 4 results', and 'Results per page: 2..'. The interface is clean and modern, with a white background and blue accents.
