IS YOUR JIRA INSTANCE GROWING OUT OF CONTROL?

YOUR PROBLEMS

Do you know how many plugins you have running in your instance at any given moment?

What about how much they're costing you?

Are you able to see which plugins are have duplicate functionality?

YOUR ONE SOLUTION

HEALTH REPORTS FOR JIRA

Developed in conjunction with Cprime Apps' Power Suite, Health Reports for Jira quickly identifies and helps fix health issues that lie undetected.

Regularly run the reports to monitor improvements and issues, and see what plugins in your instance can be replaced to consolidate the number of plugins while lowering costs and boosting functionality.
