

Master Atlassian tools with targeted training

Expium's **Certified Atlassian Experts** offer comprehensive **training solutions** for individuals and teams. Unlike traditional "slide show" training, all of Expium's classes are hands-on, live workshops.

JIRA BOOT CAMP

Our 3 day intensive class covers Jira Software deeply for Jira Admin and Team Leads.

PORTFOLIO MANAGEMENT

Jira administrators, project managers, product owners, and executives will navigate managing a portfolio in Jira using Advanced Roadmaps and Jira Align.

SERVICE DESK MANAGEMENT IN JIRA

Jira administrators and service desk professionals learn routine service requests to complex change management.

CONFLUENCE BOOT CAMP

Empower knowledge sharing throughout your team and across multiple platforms using Confluence tools.

ATLASSIAN USER ACADEMY

Users of Atlassian tools will better understand issue tracking, team boards and other visualization tools.

Schedule classes for your team

Talk to someone about your training needs in our Team Tour booth, or message us at team@expium.com.
